DEATHS

James Howard Boggs died suddenly at his home near Logan last Thursday morning, May 28, of apoplexy. Mr. Boggs was apparently well, ate a hearty breakfast and was preparing to leave home for the day. He suddenly complained of suffering with his stomach and went into the house and sat down on a couch and died in a few minutes.

The deceased was a native of Madison county and was born July 9, 1836. He moved to Jessamine county about 20 years ago. Mr. Boggs was a Confederate veteran, having served creditably under Gen. John H. Morgan. He is survived by two sisters, Mrs. Dudley Miller, of Missouri, and Mrs. James Boen, of Kingston, this county, and by seven children—E. C. and Otis Boggs, of Jessamine county, W. H. Boggs, of Lexington, Rolfe, of Dayton, James H. Jr., of Cincinnati, Mrs. Myrtle Colson, of Lexington, and Mrs. Guy Martin McElvin, of Detroit, Mich.

His remains were brought to Richmond and laid to rest beside those of his wife, who died several years ago. His wife was a sister of Mr. W. W. Pigg, of this city.

At her home near Panola. Mrs. Mary E. Woolery passed away on May 25th, in her 79th year. She was the widow of John Woolery and a daughter of the late Wm. Overton Maupin. She made her home with the family of her son-in-law, John Dalton. She is survived by one son, Wm. R. Woolery, a merchant at Panola. Three daughters died in their early married life. Several grandchildren and great-grandchildren also. One sister, Mrs. W. C. Todd, of Brassfield, and three brothers—C. H. Maupin, of near Moberly, C. C. Maupin, of Greenwood, Texas, and Wm. M. Maupin, of Decatur, Texas, also survive her. She lived a beautiful christian life and to know her was to love her. She has well earned the rest that remains to those that love the Lord. She will be sadly missed by her family and friends.

W. T. Hall, 77 years of age, died at his home at the junction of Crutcher pike with Tates Creek pike, Sunday, May 31, of pneumonia after a weeks illness. Mr. Hall was a native of Estill county, but moved to Madison about 30 years ago where he has since resided. He was a good citizen, well thought of by his neighbors and those who knew him. He leaves a wife and five children. Funeral services by Rev. Owen Young were conducted at his home yesterday morning, thence his burial in Richmond cemetery.

I take this means of expressing my thanks to my neighbors and friends who so kindly helped me in many ways during the great affliction that has befallen me in the loss of my life companion. Fish Fry.
When the telephone bell rings and a voice at the end of the line asks you to come out in the country and eat fish and corn bread, can a town man say no? I guess not, especially when mine host is Mr. Mike Enright. This was the invitation extended to about twenty of Mike's friends late last Thursday. On Friday morning, after seining his pond, or watching others do it, we spread our table under a large sugar tree, whose branches nature had so interwoven as to make a sun-proof roof. With fish from the water to the frying-pan, hot corn bread hot coffee and cool breezes on the side, the worries of business were forgotten. We left refreshed and happy, all unanimous in our praises of a grand treat. A FAVORED ONE.

We Don't Know.
But we are going to look in McKee's window and so must you. They say it is worth a look, maybe two!

Comes to See Us Occasionally.
Mr. Wm. Bryan, of Russellville, the veteran excursion agent of the L. & N., drops in on us now and then and always comes unannounced, but is given a welcome just the same. He dropped in on us one day last week. He was here arranging the details of the excursion to Mammoth Cave on June 18. Mr. Bryan gives his entire time to the excursion department of the L. & N. and covers the entire system. He is now serving his 28th year in that capacity, is a veteran in the service and a past master in the art of taking care of his excursionists and arranging every detail for their comfort.

From Gloom to Smiles.
Monday morning the usual court day crowd, farmers, traders and others, came to town with gloom on their faces and were met by townspeople with equal gloomy countenances, the cause of which was the continued absence of rain. But soon after noon smiles of the broadest variety took the place of gloom. Everybody wore smiles all over their faces, for a good rain fell for over 30 minutes, and was followed by more at intervals during the late afternoon. Several points in the county have been heard from and the rain, which was a very heavy one at this point, appears to have been general. Gardens, meadows, tobacco plants and strawberry beds were suffering, though corn was not greatly, if at all, in need of rain.

Two Steers Died.
Mr. T. E. Baldwin lost this week two valuable export steers. One was found dead in the pasture Sunday and another was killed by lightning Monday. They were worth about \$100 each. 42-17

Meeting at Red House.
The meeting at Red House continues with much interest. Rev. Clark preached a wonderful sermon Sunday night to a crowded house, his subject being: "Sin—its Effect on Mankind." There will be preaching every day and night throughout this week, at 10 a. m. and 8 p. m. Come and hear this man of God. W. M. Williams, Pastor of church. 42-17

Almost a Serious Accident.
Mrs. W. F. Park, who resides on the Jacks Creek pike, a few nights ago while attending to her household duties, inadvertently stepped into a cistern, which is in course of construction. She fell about six feet and was considerably bruised. Her cries brought her husband to the rescue. Fortunately she is not seriously wounded. 42-17

Correction.
Mr. A. English, of the English Stone Co., of Lee county, was in this city last week. He says the report that an explosion in his quarry, as reported in some papers, did occur, but that no one was hurt. It was reported that several lives were lost. This, he says, is not true. Mr. English asks that we make the correction. The item which created the false impression was not published, so far as we recall, in any Richmond paper; certainly not in the Climax. 42-17

City Assessor Bybee is Ready.
City Assessor E. H. Bybee informs us that he has completed the assessment and that his books are ready to turn over to the supervisors, Messrs. Lyman Parrish, L. T. Wilson and Geo. W. Trim Deatherage, who will meet one day this week, or early next week, and begin their work. If any one has given in his property too high or too low, go before the supervisors and rectify the error. Don't fail to be summoned. 42-17

Messrs. H. B. Hanger and L. B. Weisenberg have bought at Middletown, O., the plant of the Middletown Artificial Ice Company, with a capacity of 80 tons daily. Enterprising men like Messrs. Weisenberg and Hanger never do things by halves. They look after big deals. This one involves an outlay of about \$80,000. Mr. Weisenberg will be manager of the plant, dividing his time between it and his business in this city. 42-17

Go to Louisville For Inspection.
Company M, First Regiment of Richmond, led by Captain W. S. Broadus, went to Louisville for inspection Friday, and returned Saturday evening. Twelve Companies and a Regimental Band met at the U. S. Armory and were drilled for five hours and reviewed by the high military officers. Governor McCreary was present, reviewed the soldier boys and made a speech. The local regiment is a new one, but our 'boys' passed with as much credit to themselves and Captain Broadus as did the long drilled ones. There were forty-five members in the Richmond Company, and it was said to be the best groomed company at Louisville. Captain Broadus said the Louisville boys "had nothing on our soldier boys." He is very proud of them, and justly so. 42-17

The Town Was Flooded.
The heavy rain Monday afternoon did much damage in the country by washing soil from the hillsides and in some parts of the county corn and wheat were greatly damaged by washing. In town, streets were flooded, water flowing over pavements and in many cases entering the houses. In some instances residents had to move out. The main trouble was because the culverts, drain pipes, etc., were filled up with trash and could not allow the water to pass off. It appears that we have a street commissioner, whose powers of observation are not very acute. He never sees anything wrong until the next day, after everybody else has seen it and all the damage has been done. We suggest that occupants of property watch their sewerage and drain pipes and call the attention of the street commissioner to the defects, or better still, that they clean them out themselves. 42-17

CARD OF THANKS.
At the regular meeting of Normal City Lodge, No. 102, Knights of Pythias, on Thursday night, the following was unanimously adopted:
We desire to tender our thanks to the people of Richmond and Madison county for their liberal patronage and kindly expressions and hearty approval of the Littlejohn Carnival Co., which was held during the week May 18-24 under the auspices of the Knights of Pythias Lodge. Likewise, we thank Col. John P. Littlejohn for the splendid manner in which the exhibition was conducted, for his kindness, generosity and liberality, and take pleasure in commending him to any community as an honorable and upright gentleman. We thank the Manager of Pioneer Ball Park, the county officials, the mayor and city council, the police department, the local papers for notices, and especially The Climax for its two splendid write-ups, and each and all who contributed to our success. We also want to compliment (?) the Kentucky Utilities Company, which furnished the light, for "burning" us. Last year the charges for lights were \$17, this year they were \$60—and no more lights. It was a hold-up, and we don't hesitate to say so. There is something "rotten in Denmark," and the people of Richmond should be on their guard against such "bleeding" process. Again we thank the people for their liberal patronage and good wishes. Signed: **FRANK LESLIE RUSSELL, P. C.** On behalf of Normal City Lodge, No. 102, Knights of Pythias. RICHMOND, KY., May 28, 1914. 42-17

Chenault, president; W. N. Burgess, 1st vice-president; Samuel Woolridge, of Woodford county, 2d vice-president; J. W. Maupin, secretary and treasurer. E. L. Tevis, of Waco; Wm. Burgess and J. D. Chenault. 42-17

The hunting grounds in 1913 were at Oil Springs, Clark county. This Association is a sro; g one, composed of the most substantial men, who enjoy the fox chase as a recreation. The membership is now several hundred strong, embracing the counties of Madison, Fayette, Clark, Woodford, Lincoln and Garrard, and possibly some others. Their annual fox hunt, which is always a notable event, and becoming more so each year, is held every fall and is enjoyed by not only the members, but always by a large number of invited guests. 42-17

BRASSFIELD.
We noted last week the serious illness of Mrs. Mary Woolery, who has since passed to her reward. Her remains were laid to rest in the Red Hill Cemetery, where a host of friends and relatives gathered to pay their last respects. She was the daughter of John Woolery, who died many years ago. She is survived by three brothers, one sister and one son respectively, Mr. Kit Martin, Mr. Cash Maupin, Mrs. W. C. Todd, and Mr. W. R. Woolery, of Panola. We extend our sympathy to the bereaved family. 42-17

Mrs. Sarah Golden, who has been very sick for quite awhile, is much better. Her daughter, Miss Sadie Golden, who is quite a good nurse, has been at home in close attendance during her illness. 42-17

We are informed by Dr. Coomer that Mrs. Houston Sewell, who has been seriously ill, is convalescing. 42-17

Bro. Martin, who is stirring the farmers to a sense of their duty in this neighborhood will give another lecture at Viney Fork church at Speedwell, Sunday, at 3 o'clock p. m., on a very interesting subject. Everybody invited. 42-17

Prof. Martin says there are only two real farmers in this section: They are Messrs. J. W. Hord and Harris Brothers. We have had the pleasure of visiting these two farms recently and we will say, "amen!" to the assertions of Professor Martin. The rest of our little farmers around here look like they were worth about thirty cents. Mr. Tevis Rayburn says that if he had some money and energy enough he would show the public what kind of a farm he would have. It seems to us that he ought to have plenty of the latter, as he never was accused of spending any. 42-17

Our new rugs will please you.

Dear Amy: You ought to see Jane's new rugs. She has bought elegant ones for the whole house and is as happy as a queen. I do think that good, tasteful rugs give any home an air--and nowadays with the elegant French and American ones and the artistic Oriental designs to choose from, there is no excuse for any woman not to buy pretty rugs. Baby John has crawled on some of my rugs until they are shabby, so I'm going to get new ones. Good bye, Lou. P. S.--You buy the best rug and at reasonable prices from **W. F.
